FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety - Director's Office** and the **Highway Patrol** each assume the proposal would not fiscally impact their agencies.

Officials from the **Boone County Sheriff's Department** and the **Springfield Police Department** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Independence Police Department** state removing the decals from their vehicles cost approximately \$150 per vehicle. For approximately 30 vehicles each year, this would total roughly \$4,500. However, they already remove these decals as a matter of current practice, anyway.

Oversight assumes this proposal would not create an additional expense to the local political subdivisions above what they are already incurring for removing the lights, sirens and decals from vehicles before selling or consigning.
